

Management Plan for Fiscal 2017 (Overseas Operations)

Overseas Operations

Fuji Electric is applying its policy of local design, local production, and local consumption to building overseas operation foundations. As part of this undertaking, we are developing sales, engineering, and production bases in China, other parts of Asia, the Americas, and Europe. As of March 31, 2017, we had 51 overseas sales and engineering bases and 19 overseas production bases located around the world. We are also focused on acquiring human resources and sales channels overseas. The Company conducted eight M&A transactions over the period from April 1, 2013, to March 31, 2016, and Fuji Electric currently has 45 consolidated subsidiaries outside of Japan.

Going forward, we will continue to enhance our manufacturing and engineering systems in growing markets, such as India and other parts of Asia.
