Regarding the Fuji Electric Report

Fuji Electric Report is an integrated report that is prepared for the purpose of facilitating understanding of the Company's whole corporate activities among its stakeholders, mainly shareholders and investors, and published after its content has been reported to and deliberated by the Company's Board of Directors.

We focus on clearly communicating about our energy and environment businesses, which aim to continuously enrich our corporate value, as well as our sustainability efforts.

Period covered by the report
April 1, 2023 to March 31, 2024
* Including activities from April 2024 onward.

Organizations covered by the report
Fuji Electric Co., Ltd. and its consolidated subsidiaries

About the Front Cover

The front cover expresses our commitment to contributing to the creation of a prosperous and sustainable society that is gentle on both the global environment and people through our energy and environment businesses, which leverage our core technologies in power semiconductors and power electronics. The electronic circuits superimposed on the beautiful night sky symbolize our products and the contexts in which they are used, visually portraying Fuji Electric as a company that supports the future of children and the planet.

Disclaimer Regarding Forward-Looking Statements

Statements made in this report regarding estimates or projections are forward-looking statements based on the Company's judgments and assumptions in light of currently available information. Actual results may differ materially from those projected as a result of uncertainties inherent in such judgments and assumptions as well as changes in business operations or other internal or external conditions. Accordingly, the Company gives no guarantee regarding the reliability of any information contained in these forward-looking statements. Investors are encouraged to also reference documents submitted by the Company in accordance with the Financial Instruments and Exchange Act of Japan and other disclosure materials.
