Notice Regarding Conclusion of Merger Agreement with Consolidated Subsidiary

At a meeting convened today, the Board of Directors of Fuji Electric Co., Ltd. (the "Company") resolved to conclude a merger agreement with wholly owned subsidiary Ibaraki Fuji Co., Ltd. The merger agreement was concluded thereafter.

This merger is a simple absorption-type merger of a wholly owned subsidiary, and accordingly certain disclosure items and details have been omitted.

1. Objective of the merger

Switchboards, control panels, and other switchgear and controlgear products are core products in the plant system field, and strengthening the competitiveness of these products is crucial to expanding operations in this field.

Ibaraki Fuji manufactures and sells switchgear and controlgear products. The merger of this company into Fuji Electric is aimed at enabling the Company to integrate the resources that were previously dispersed between it and Ibaraki Fuji to facilitate the acceleration of standardization and the shift to in-house production and to thereby strengthen its product lineup.

In this manner, Fuji Electric will seek to expand its power electronics systems businesses.

2. Outline of the merger

(1) Schedule for the merger
