Notification regarding the Change of Packing Box Material for SK Series Magnetic Contactors and Magnetic Starters

We would like to thank you for your continued patronage of Fuji products.

We will be changing some products as described below.

Please review the following information and take appropriate actions.

Please also inform all related sections of your company of these changes.

Product name	Magnetic Contactors and Magnetic Starters
Series name	SK Series
Type	<p>Magnetic Contactors: SK18, SK22, SK32 Magnetic Starters: SK18□W, SK22□W, SK32□W</p> <p>This also includes applied products (such as high-capacity auxiliary contact blocks and special products) that begin with the above product codes.</p> <p>However, reversing type magnetic contactors and reversing type magnetic starters that have the following product codes are not subject to the change. SK18□R, SK22□R, SK32□R, SK18□WR, SK22□WR, SK32□WR</p>
Changed parts	Packing boxes (individual packing boxes)
Details of the change	<p>Changes will be made to packing box material. As a result, the color of the boxes will change. Material: Coated cardboard => Corrugated cardboard Color: White => Kraft</p> <p>There will be no changes to the external dimensions of individual packing boxes.</p> <div style="display: flex; align-items: center; justify-content: center;">   <div style="margin-left: 20px;"> <p>Reversing type magnetic contactors and reversing type magnetic starters are not subject to the change. These products already use corrugated cardboard as packing material.</p> </div> </div> <p style="text-align: center;">[Previous product: SK22A] [Changed product: SK22A]</p>
Reason for change	To facilitate procurement
Date of production change	Scheduled for products to be produced from November 2018
Attachment	None
Notes concerning the changes	This change will not affect product performance, external dimensions, etc.
