& Systems Co., Ltd.

## Notification regarding Change to F-MPC50, 60B Series Packing Box Specifications

We would like to thank you for your continued patronage of Fuji products.

We will be changing some products as described below.

Please review the following information and take appropriate actions.

Please also inform all related sections of your company of these changes.

Product name	Multifunctional digital relay for high-voltage power distribution and switching, multifunctional digital relay for New Auto.V
Series name	F-MPC50, 60B series
Type	UM4□, UM5□, UM55-V
Changed parts	Packing box specifications and packing nameplate specifications
Details of the change	- Changes have been made to the description arrangement and design. Refer to the attachment for details. (No changes have been made to the external dimensions.)
Reason for change	To unify packing specifications.
Date of production change	Scheduled for products to be produced from July 2018.
Attachment	B17067 [Attachment] Changes to packing box specifications and packing nameplate specifications
Notes concerning the changes	This change will not affect the performance, characteristics, or the external, mounting, or packing box dimensions of the product.
