Fuji Electric FA Components
& Systems Co., Ltd.

Notification of Change of Labeling and Bottom Inner Surface of Packing Box for NEO SC Series Magnetic Contactors

We would like to thank you for your continued patronage of Fuji products.

We will be changing some products as described below.

Please review the following information and take appropriate actions.

Please also inform all related sections of your company of these changes.

Product name	Magnetic contactors
Series name	NEO SC Series
Types	SC-□ □: N4, N4/SE, N5, N5A, N6, N7 *Including applied products with H, /U, /SF, /SF-S, /SF-P in the product type
Changed parts	Packing box and instruction manual
Details of the change	The following two changes will be made. For details, see Attachment 1. (1) The instruction manual will no longer be included in the packing, but will be available via a 2D code printed on the top inner surface of the packing box, along with information on wire sizes. (2) The piece of cardboard placed at the bottom of the packing box will be removed (except for SC-N7 mentioned above). (3) The shape of the piece of cardboard at the bottom of the packing box will be changed (for SC-N4/SE, N5 products with auxiliary contact arrangements of 3NO+3NC and 4NO+4NC). (4) The size of the packing box will be changed (for SC-N6 products with auxiliary contact arrangements of 3NO+3NC and 4NO+4NC).
Reason for change	To reduce environmental loads.
Date of production change	Scheduled for products to be produced from March 2026
Attachments	Attachment 1. Details of Change of Packing Box
Notes concerning the change	This change does not have any effect on product performance.

Attachment 1
Details of the Changes

The packaging will be changed as follows.
The changes will vary depending on the product, so please refer to the specific product types below.
