Fuji Electric FA Components & Systems Co., Ltd.

Notification of Removal of CE and UKCA Marks from F-MPC60G Series Multifunctional Digital Relays for High-Voltage Power-Receiving

We would like to thank you for your continued patronage of Fuji products.

We will be changing some products as described below.

Please review the following information and take appropriate actions.

Please also inform all related sections of your company of these changes.

Product name	Multifunctional digital relays for high-voltage power-receiving
Series name	F-MPC60G Series
Types	UM6□ (all product types except for those ending in "T")
Changed parts	Packing label and product nameplate
Details of the change	CE and UKCA conformance will no longer be applied. As a result, the CE and UKCA marks will be removed from the packing label and product nameplate. For details, please see the attachment.
Reason for change	Production has become difficult to maintain due to decreased demand.
Date of change	Scheduled for products to be produced from February 2027
Attachments	Changes to Label and Nameplate Content
Notes concerning the change	This change does not have any effect on product performance.
