Fuji Electric FA Components & Systems Co., Ltd.

Notification of Addition of Nameplate to Optional Busbar Support for G-TWIN Λ Series Busbar Plug-in Type Products

We would like to thank you for your continued patronage of Fuji products.
We will be changing some products as described below.
Please review the following information and take appropriate actions.
Please also inform all related sections of your company of these changes.

Product name	Optional products for molded case circuit breakers and earth leakage circuit breakers
Series name	Busbar support for G-TWIN Λ Series busbar plug-in type products
Types	BZ6DSF
Changed parts	Product body
Details of the change	A product nameplate, which includes the product type, UL mark, and brand, will be added to busbar supports. 
Reason for change	Due to the UL mark requirement of SCCR value certification
Date of change	Scheduled for products to be produced from December 2026
Attachments	None
Notes concerning the change	This change does not have any effect on product performance.
