Fuji Electric FA Components
& Systems Co., Ltd.

Notification of Production Discontinuation of FNH Fuse Series Low-Voltage Current-Limiting Fuses

We would like to thank you for your continued patronage of Fuji products.

We are writing to announce the production discontinuation of some of our products.

Details are described below. Please review the following information and take appropriate actions.

Please also inform all related sections of your company of this discontinuation.

Product name	Low-voltage current-limiting fuses
Series name	FNH fuses
Types	<p>All types beginning with FNH</p> <p>All types beginning with BNXA</p> <p>* Includes the special components of the basic types described above.</p>
Reason for production discontinuation	Due to decreasing demand, it has become difficult to provide a reasonable and stable supply.
Replacement models	There are no replacement models.
Date of production discontinuation	November 30, 2025
	* If parts become difficult to procure, the product will be discontinued when the inventory is consumed.
Attachments	Attachment 1: List of Applicable Types
Last order date	May 31, 2025
Maintenance parts	There are no maintenance parts.
Others	None
