## Notification of Production Discontinuation of CCC Certified NEO SC Series Magnetic Starters

We would like to thank you for your continued patronage of Fuji products.

We are writing to announce the production discontinuation of some of our products.

Details are described below. Please review the following information and take appropriate actions.

Please also inform all related sections of your company of this discontinuation.

Product name	Magnetic starters
Series name	NEO SC series
Types	SW-□ □: N3, N4, N5, N6, N7, N8, N10, N12, N14 *All products with "(CCC)" at the end of the above product types.
Reason for discontinuation	Continued production has become difficult due to low demand.
Replacement models	You can purchase CCC-certified magnetic contactors and thermal overload relays and use them in combination as a magnetic starter.  Example: SW-N3 (CCC) → SC-N3 (CCC) + TR-N3 (CCC)
Date of production discontinuation	March 31, 2026
Attachments	None
Last order date	January 31, 2026
Maintenance parts	There are no maintenance parts.
Others	None
