Fuji Electric FA Components  
& Systems Co., Ltd.

## Notification of Production Discontinuation of Some FCF and FCK Cartridge Type Low-voltage Current-limiting Fuses

We would like to thank you for your continued patronage of Fuji products.

We are writing to announce the production discontinuation of some of our products.

Details are described below. Please review the following information and take appropriate actions.

Please also inform all related sections of your company of this discontinuation.

Product name	Low-voltage current-limiting fuses
Series name	Cartridge type fuses
Types	All types with a rated current of 40 A or more, starting with FCF FCF2-40, FCF2-50, FCF2-60 All types starting with FCK FCK2-□ (3 A to 600 A products) (*The symbol "□" indicates the rated current. Includes special products and parts of the above types.)
Reason for discontinuation	Continued production has become difficult due to low demand
Replacement models	There are no replacement models.
Date of production discontinuation	August 31, 2026
Attachments	Attachment 1: List of Applicable Types
Last order date	February 28, 2026
Maintenance parts	There are no maintenance parts.
Others	Depending on the number of last orders placed, we may need to contact you separately.
