Fuji Electric Exhaust Gas Cleaning System (EGCS)

On Board Training

We would like to express our deepest appreciation to you for your continued support for our ship exhaust gas cleaning systems (EGCS).

As we announced about the subject news by FESN-2004, we are very pleased to explain the content of on board training

We plan to offer the two cases for case 1 (1 day) and case 2 (two days).

Especially we would like to recommend customer to select case 2 (two days) which is included OJT for crew if possible.

Please kindly contact us for the quotation, period of training and content if any.
