Fuji Electric Exhaust Gas Cleaning System (EGCS) Distribution of Louver Maintenance Manual

We would like to express our deepest appreciation to you for your continued support for our ship exhaust gas cleaning systems (EGCS).

We have issued a louver maintenance manual for our EGCS (exhaust gas Cleaning system).

This maintenance manual is intended to explain the structure, functions, safe operation of the louver and precautions required to maintain its performance for a long time. Periodic inspections are required to prevent failures and operate in good condition and to reduce repair and maintenance costs.

Please utilize this valued manuals for your easy and exact maintenance of Louver..
