**Fuji Electric Ship Exhaust Gas Cleaning System (EGCS)**  
**Undisplayed PAH Value**

We would like to express our deepest appreciation to you for your continued support for our ship exhaust gas cleaning systems (EGCS).

We received the a few report from vessels that PAH figures are not displayed during operation. For exact solution, please contact us when the following situations have been occurred.

**[Situations]**

The value is not displayed in TrioBOX3, and the value of Control Panel and Operation Panel indicates "0".

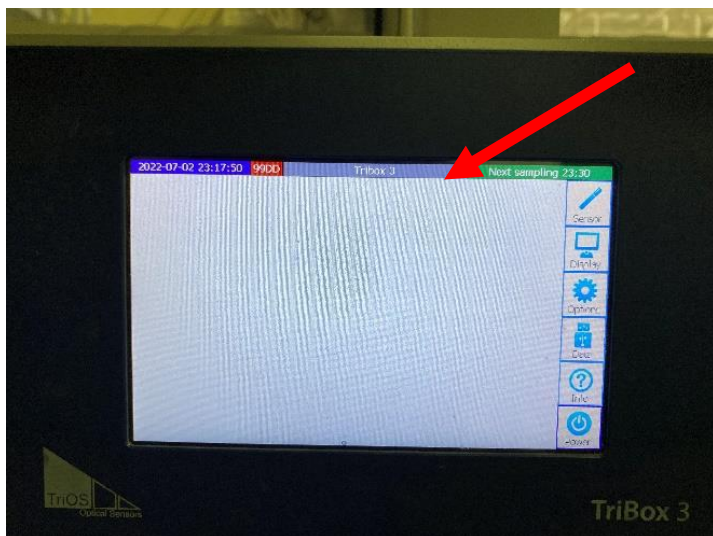

**[Cause]**

By combining the software version on TrioBOX3 with the type of PAH sensor

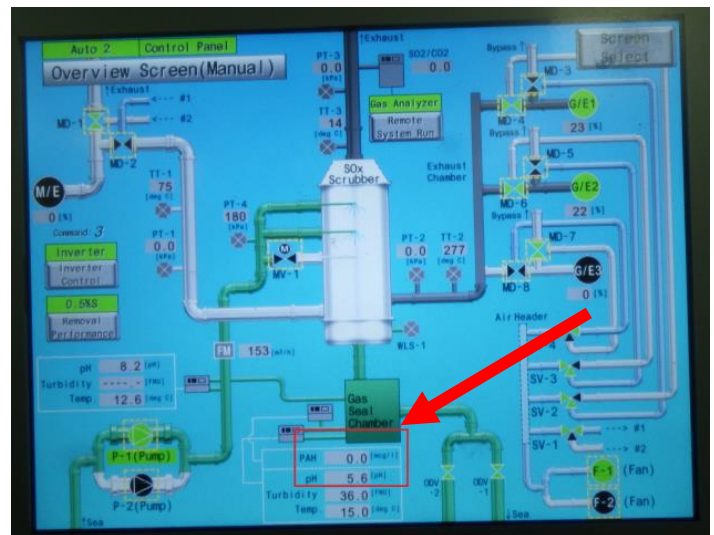

**[Inquiry Address]**
