Reference Materials for the Ordinary General Meeting of Shareholders

Item 1: Election of Eight (8) Directors

Reasons for Proposal

The terms of office of all of eight members of the Board of Directors will expire at the conclusion of this Ordinary General Meeting of Shareholders. We, therefore, propose the election of the following eight members of the Board of Directors (three of them are Outside Directors) due to the following reasons.

In June 2019, the Company announced the medium-term management plan “Reiwa Prosperity 2023,” which has the targets of achieving ¥1 trillion of net sales and an operating margin of at least 8% in fiscal 2023. While pursuing “promotion of growth strategies,” “further improvement of profitability,” and “ongoing reinforcement of operating foundations,” we are promoting the company-wide Pro-7 activities to drive efforts to improve work quality and work efficiency.

Candidates for Standing Directors (No. 1-5) have been decided on the basis of the skills and experience necessary for the execution of the Company’s management policies.

Candidates for Outside Directors (No. 6-8) have been decided based on comprehensive consideration of their insights and experience necessary for multidimensional management analysis, understanding of the management of Fuji Electric and independence from the Company described in page 27 to strengthen the management supervisory function of Fuji Electric, and to ensure the validity and appropriateness of important decision-making.

As mentioned above, we would ask you to approve the election of these eight Directors in order to execute highly transparent management in a prompt manner with the aim of future business growth.

The election of Director candidates was made after the “Nomination and Remuneration Committee,” a discretionary committee whose membership is made up of a majority of Outside Directors who are Independent Officers and whose chairman is an Outside Director who is an Independent Officer, deliberated and reported its findings.
