

**Dear customers**

December 2024

Fuji Electric Co., Ltd.

**Programmable Controller MICREX-SX Series**  
**Announcement of Consolidation of Product**

**Accessories**

Thank you for using our programmable controllers.

We hereby announce that we will consolidate instruction manuals that come with MICREX-SX Series SPH for reduction of the paper usage.

**1. Contents of the Changes**

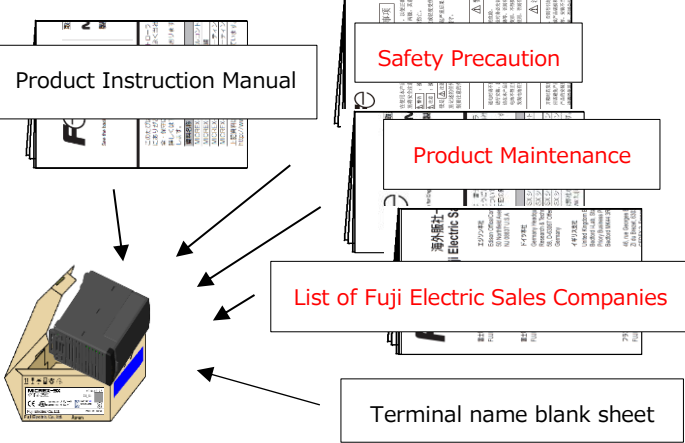

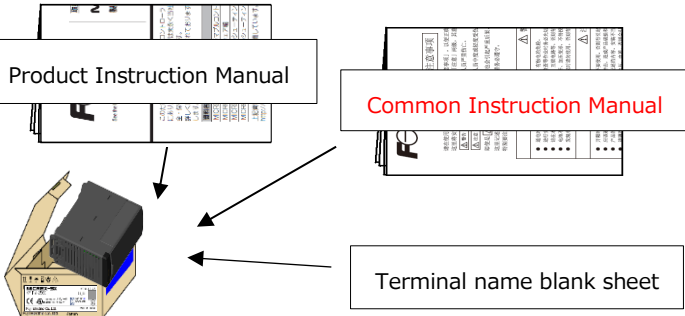

(1) Details of the Change

Content : Consolidate the instruction manuals, "Safety Precaution", "Product Maintenance", "List of Fuji Electric Sales Companies", that come with the products into one "Common Instruction Manual".

Target : Products of MICREX-SX Series SPH that have already obtained CE.

Reason : For reduction of the paper usage.

(2) Example of the Change (I/O module NP1X1606-W)
